

## Bray School Project National School

### **Pupils' Council Meeting**

15<sup>th</sup> January 2019

We began the meeting by reading over the minutes of December's meeting.

#### In attendance:

- **3rd Class:** Cathal Garahy and Ava Greene,
- **4th Class:** Jack Doyle and Annie Rafferty,
- **5th Class:** Charlie Parkes and Sophie Fitzsimon,
- **6th Class:** Niamh Quigley, Donal Rafferty and Daibhead O'Neill.

#### The following issues were discussed:

- **Bray Lakers Fundraiser:** Suzanne congratulated the Pupils Council on the success of the Christmas Jumper Disco Day, which raised €600.00. The children would like to present the cheque to Bray Lakers.
- **Other fundraising ideas the children have:** Oxfam, MS Readathon.
- **Ideas for the School yard:** Extend Gym Trail. Add monkey bars. Extend break time. Get a new basketball net/ backboard. Consider getting a Gymnastics bar.
- **Christmas fair:** Feedback from students on Christmas Fair. The new location of the hot dogs, crepes and candy floss was great. The children missed the gambling card games. The smoothies were delicious. Maybe move the Secret Santa room to the resource room off the hall and make sure no parents are allowed in. Set up rota for 6<sup>th</sup> class to help out in Santa's Grotto.
- **The children have decided they would like to make a Thank you card for Deirdre Crowe (former Chairperson of BSP) and make a card welcoming the new Chairperson, Mary Discan, to the role of Chairperson of BSP.**

#### Tasks set for the Pupils Council:

- Design cards for Deirdre and Mary.
- Suzanne also asked each rep to talk to members of their class before the next staff meeting and see if they have any suggestions, worries or concerns that they would like to bring to the staff's attention.
